## INSPECTION

### NOTICE

Prohibition on checking, refilling and replacing the transfer case oil

- Do not check, refill and replace the transfer case oil because transfer case (ATF SHELL TF0870B) is filled when coming out of the factory.
- Do not check and replace the oil.
- No drain plug.
- In case that the transfer case (AWD) oil-related failure code (DTC) appears, replace the transfer oil case assembly.
