

Circuit Diagram

| Connector A | No. | Description       | No. | Description |
|-------------|-----|-------------------|-----|-------------|
|             | 1   | AUX_Input (Left)  | 7   | AUX_Ground  |
|             | 2   | AUX_Input (Right) | 8   | -           |
|             | 3   | AUX_Detect        | 9   | -           |
|             | 4   | Illumination (+)  | 10  | -           |
|             | 5   | -                 | 11  | Ground      |
|             | 6   | Illumination (-)  | 12  | -           |

| Connector B | No. | Description     |
|-------------|-----|-----------------|
|             | 1   | USB VCC         |
|             | 2   | USB Data (Low)  |
|             | 3   | USB Data (High) |
|             | 4   | USB             |
