

Component Location Index

[Engine Room]

- | | |
|--------------------------------|-----------------------------------|
| 1. Ambient sensor | 7. Service port (High pressure) |
| 2. Receiver drier | 8. A/C Pressure Transducer (APT) |
| 3. Condenser | 9. Suction & Liquid tube assembly |
| 4. Compressor | 10. Expansion valve |
| 5. Discharge hose | 11. Suction hose |
| 6. Service port (Low pressure) | |

Interior

1. Auto Defogging Sensor

2. Photo Sensor

3. Heater & Blower Unit

4. Evaporator Temperature Sensor

5. Heater & A/C Control Unit (DATC)
